

SHAVE OFF FORM

- ❗ Little Paws Parlour will not subject any dog to stress or discomfort and all dogs will be groomed in accordance with The Animal Welfare Act 2007.
- ❗ I acknowledge that because of the condition of my dog's coat today, Little Paws Parlour will need to shave the coat off completely. The condition of my dog's skin and coat is my own responsibility.
- ❗ I understand that irritation may occur from the shaving process, as well as uncovering nicks, cuts or other pre-existing problems. I agree Samantha Edwards trading as Little Paws Parlour will not be held liable from any after grooming effects of the matt clipping procedure, or pre-existing conditions "uncovered" which could include sores, skin redness or self-inflicted irritations/abrasions from excessive external rubbing, parasite infestation, urine and faeces scalding, bacterial and yeast infections.
- ❗ By carrying out this procedure your dog's appearance will dramatically change, and their hair will be very close to the skin.
- ❗ I also understand that there is an added extra charge of £10 per dog.

These terms and conditions do not affect your statutory rights.

I fully understand and agree to the above Terms and Conditions, set by Samantha Edwards, trading as Little Paws Parlour.
